Thank you for your numerous contributions and donations throughout this year. We look forward to planning an even more productive relationship in the years to come.

The real thanks are to all of you who are members of the Association. Without your support and contributions, we would not be able to add to the student environment or academic achievements at Kimball. We hope you will continue to support our organization.

In Memoriam

*“The slow but certain hand of time
Has changed the young-remembered faces.
The scintillating air of youth
Is calmer now, and in its place
Glows the quiet confidence of age...
Today those who now remain
Are gathered together here
To laugh and talk, and feel again
The heartfelt closeness of yesteryear.
Let us not feel remorse or dread.
The years are good -
those passed and those ahead.
So let us meet as often as we can
Not for past memories so much
But for the love and strength
that builds within
Each time our pathways touch.”

Rat Pack holds May Brunch for All Classes

The 1970 class holds a “Rat Pack” gathering at various restaurants throughout Dallas each month and has been so successful that it now attracts alumni from all classes. The May gathering was held at Cosmos Rouge in the Bishop Arts District at Bishop and Davis Ave and included classmates from 1960 to 1986. Everyone enjoyed a wonderful brunch with unlimited “mimosas”, a wonderful drink of champagne and orange juice. The brunch began at noon and many stayed until after one. The Rat Pack gathering has become one of the most lasting and popular monthly gatherings of the alumni and everyone who wishes to attend is invited to do so. Check the alumni calendar at the Association website [Justin F. Kimball](#) for the next date and then email [Gayla Mitchell](#) to include your name on the attending list. It’s great fun and I guarantee if you come once, you won’t miss any of them.
