

Justin F. Kimball High School Alumni

This 2008 has marked 20 years since our graduation. Thus our class President and his self appointed committee have planned an eventful weekend. We are certain that no one will miss out on this exciting anniversary celebration. This letter is being sent to inform every one of our milestone and future events.

Time has certainly flown by. It seems that it was only a few years ago when we first scurried around on the campus of Justin F. Kimball. During our first days on the "courtyard" we were able to develop life-long relationships and begin the transition into adulthood. Our experiences molded us and prepared us for the lives we now enjoy. It is not very difficult to remember dances in Sprague Field House, talent shows, fashion shows, pep rally's and school pizza. These mutual experiences developed a special bond between classmates and all members of the graduating class of 1988 family. We now have an opportunity to celebrate this unique experience of our 20th Reunion. We have confirmed the following event for our 20th Year Class Reunion to be held this December.

Please consider this letter an invitation to participate in celebrating this event. Even with the 2008 year almost over and the holidays upon us, we would like to issue the weekend of activities beginning **December 12, 2008 (Friday)** and continuing all the way through **December 14, 2008 (Sunday)**. Taking the economy and holidays into consideration, our plan has been to lessen the event cost so that all can attend. It is our goal to ensure that we do not let this significant anniversary pass with out celebration. We hope that many others will join in the event.

Thank you for your efforts in making this 20th Anniversary Class Reunion the best. We would like to hear from every member of the Class of 1988 indicating their plans to join us on this day. If you know of any classmates who may have not been contacted, please email me their name, address, email address and/or phone number so that we may forward the information to them. We are also seeking the names of any deceased members.

Please take the time to review the proposed schedule of activities complete the attached updated form and mail back. Please realize an official "head count" is absolutely required between now and December 1, 2008. Even if you are unable to attend, we would appreciate suggestions for our next reunion, plus an updated photo and personal information for our album.

Thank you,

Vernon Hale III
Class President 1988
